

SHOP WITH SCRIP!

A small way to help make a HUGE difference.

St. Ambrose Academy (SAA) awards \$500,000 in tuition assistance annually, which is what makes it possible to welcome the varied and amazing families that we do!

Now... we can really help SAA grow in strength as we welcome even more families by creating the simple habit to purchase our normal everyday needs with gift cards from our Scrip program instead of using credit or cash! (see the 'earnings add up' table below)

Together, we can increase the ways we support our children to have the greatest gift for themselves and our future: *a complete education & Catholic formation at St. Ambrose!*

How it works?

Gift card fundraising, also known as scrip fundraising, has been a top fundraiser for nonprofit organizations across the U.S. for two decades. Why? Because it's more convenient and effective than selling goods or recruiting volunteers. Earn simply by buying gift cards from our school program to use for everyday purchases, instead of cash or credit cards. A portion of the sale of each card is donated by the retailer to directly help our school, without costing you anymore.

Groceries, fuel, dining out, home improvement, and everything in between. It's an effective way to fundraise because earning becomes part of your everyday life. No extra money spent. No extra time wasted. Plus, some people find that gift cards help to set and keep a weekly budget.

The Scrip program is just one of many approaches we use to help meet our large fundraising need. It's an intuitive way to create additional support for what matters most: our children's Christian education and a healthy society based on Christian moral order.

- Earn up to 20% on every gift card you buy (this rebate is paid by the retailers).
